'Education is the key to unlocking the world, a passport to freedom'

Teague day nurseries offer quality, inclusive, accessible and affordable care and education provision for children aged six weeks – eight years.

The Woodlands has been fully renovated to a very high standard that continues to meet increasing demands. The stimulating environment has been professionally planned and will continue to evolve, to ensure it provides full emotional, social and educational stability for your child.

Everybody involved with the operation of the nursery aspires to be the best and maintain very high expectations in practice. This includes highly effective, quality leadership and management, teaching and learning, personal development, behaviour, welfare, and outstanding outcomes for all children and learners.

We are a family run nursery. We believe that strong partnerships with parents, carers and others are paramount at this most formative time of your child's development. Our staff will build a reliable rapport that allows you to fully and discretely discuss your child's needs, as well as using Tapestry to ensure you have a constant view of your child's progress and happiness whilst within our care.

Your thoughts and opinions are crucial and we encourage feedback from our parents and carers.

Being in such a lovely community, we have built strong partnerships within the local area and like to broaden our children's experience of nursery with unique excursions and internal visitors as often as possible.

The Woodlands is registered with Ofsted and is constantly assessing its practice and environment and improving. Teague Day Nurseries company director is a QTS teacher and School Improvements Officer and works to ensure the setting meets, and exceeds expectation.

We feel privileged to be intrusted with the care of your child and look forward to you becoming part of the Woodlands family.

'You're off to great places, today is your day, your mountain is waiting, so get on your way...'

Our nursery ensures all children **IMAGINE, BELIEVE, ACHIEVE.**

Our groups are named and themed after Dr Seuss books, as we promote their themes of tolerance, diversity and perseverance, encompassing our key aims within social and emotional welfare.

Every child has a different starting point and needs a uniquely scaffolded path to achieve their full potential. We strive to provide all the necessary ingredients to enhance each child's experience.

Our main aim is to ensure each child has a fantastic and inspired day at The Woodlands. We want to instil fun and excitement into their first taste of education so they find a love of learning that will stay with them always.

Within each day we will:

1. Provide a safe, caring and stimulating environment.
2. Promote equality and tolerance.
3. Ensure good manners and behaviours, including being respectful.
4. Build self-esteem and confidence.
5. Structure children's experience to their individual needs and preferences.
6. Combine fun, learning and interest to provoke curiosity.
7. Support children in all aspects of their development as identified by EYFS guidelines.
8. Assess, monitor and evaluate each child's progress.
9. Share information with parents and carers and work in partnership around all children.
10. Provide intervention and support for families where necessary.
11. Evaluate and assess our practice through stringent quality assurance regularly.
12. Build and improve on children outcomes through EYFS curriculum planning.
13. Always be available for a much needed cuddle.

We are here to support you and your family and ensure your child is completely catered for in our home from home nursery.

'You have brains in your head, you have feet in your shoes, you can steer yourself any direction you choose'

The Woodlands is divided into three key groups:

Little Lorax: Six weeks – Two years

The Little Lorax room has a wonderful warm atmosphere in a colourful and stimulating space. The space has been purpose built to ensure the ever changing needs of all our 0-2 children can be met, including an imaginative soft space and messy play area. Our main aim in the Lorax room is to follow

your child's individual routine; maintain your own feeding, toilet training and sleeping pattern whilst working with you to ensure each child's development. The room is self-contained with specialised nursery nurses who are able to provide an adaptable approach, which is both loving and supportive.

There is a separate sleep room upstairs where your child can have restful and unbroken sleep monitored constantly by our CCTV system. There is also a separate 'baby garden' to ensure all children have a safe, secure and stimulating outdoor area.

Every child will have their own daily record book and your child's key person will always be happy to discuss your baby's day.

To ensure the most suitable products are available for your under two, we ask that nappies, wipes and formula / milk are provided. We will store these in a named box.

You may wish to provide your own bottles / cups to allow for a comfortable transition home- nursery, although we provide standardised ones within the room.

Half- way Horton: Two years – Three years

The Half- way Horton's are based in our main room alongside our pre-schoolers. This means they have full access to all activities and amenities, allowing them to have free flow within our exploration times. The Horton group has key staff who will scaffold age and stage appropriate tasks and interactions throughout the day. This structure allows more interaction between our pre-school and toddlers and also allows for differentiated and focussed intervention time. This enhances the toddler's experience considerably. During the day, they all have the opportunity to play outside, participate in story and singing time along with a variety of creative and role-play experiences.

Our toddlers have access to the sleep room in the form of sleep mats, for those who still require a daytime nap.

We ask for nappies, (if appropriate), and at least one spare pair of clothes for your child.

Starting Sneetches: Three years – Five years

Our Starting Sneetches group is a highly Motivated group in which children will learn all aspects of the EYFS curriculum. This group is led by our setting manager who is a fully qualified teacher. This group aims to equip each child with the skills and knowledge needed to excel in their first year of full time education. We encourage children to become independent learners, and confident in aspects of mathematics and literacy. All children will have access to some extensive equipment including an interactive white board.

We aim to help them also develop socially, learning to respect others and form friendships. By sharing space with the toddlers, it allows for encouragement in helping others and allows them to initiate and lead activities.

Our Starting Sneetches children are required to wear the Pre-school uniform and are asked to provide a change of clothes and sports clothing.

Within The Woodlands we also have an extensive outdoor play area, equipped with mud kitchens and woodland trails which all rooms have access to within the day.

We are lucky to have our own woodland area and forest school insurance. This means children aged 2+ can take part in six week blocks of forest school learning including: Fire starting, outdoor cooking, real life tool experience and much more.

We also have a purpose built creation station room in which children can create artistic masterpieces and cook some innovative snacks. This room is also used for our mathematics and literacy time with the Starting Sneetches.

All our children have their own peg space for lunchboxes, coats and shoes.

Our setting is a '**slippers only**' setting and your child is required to wear slippers within the setting. This makes the children much more comfortable whilst in The Woodlands and allows for us to maintain a highly clean floor space.

Snacks of fruit, vegetables or yoghurt are provided to all children, (if applicable), at 10am including a drink of water or milk.

Breakfast is available from 8am-8.30pm as toast or cereal.

Lunch is catered for at 12pm, parents / carers are asked to provide their child with a packed lunch.

Tea is provided for children at 4pm in the form of a hot meal. See the menu for further details.

All intolerance and allergies are catered for, and therefore we are a 'NUT FREE' nursery. Please let us know if your child has any additional dietary requirements on the registration documents provided.

We support the healthy eating agenda fully and ask that unhealthy snacks such as chocolate bars are not provided.

Will I qualify for 30 hours free childcare?

Parents of three and four year olds will need to meet the following criteria in order to be eligible for 30 hours free childcare:

1. They earn or expect to earn the equivalent to 16 hours at National Minimum or Living Wage over the coming three months.
2. This equates to £120 a week (or c.£6,000 a year) for each parent over 25 years old or £112.80 a week (or c.£5,800 a year) for each parent between 21 and 24 years old.
3. This applies whether you are in paid employment, self-employed or on zero hours contract.
4. The parent (and their partner where applicable) should be seeking the free childcare to enable them to work.
5. Where one or both parents are on maternity, paternity, shared parental or adoption leave, or if they are on statutory sick leave.
6. Where one parent meets the income criteria and the other is unable to work because they are disabled, have caring responsibilities or have been assessed as having limited capability to work.
7. Where a parent is in a 'start-up period' (i.e. they are newly self-employed) they do not need to demonstrate that they meet the income criteria for 12 months.
8. If a non-EEA national, the parent must have recourse to public funds.

9. Who will not qualify?

A parent will not meet the criteria when:

1. Either parent has an income of more than £100,000
2. Either parent is a non-EEA national and subject to immigration control (and has no recourse to public funds)

What happens if a parent loses eligibility?

1. They will receive a "grace period" – this means they will be able to keep their childcare for a short period.
2. Once the "grace period" has lapsed, the parent may be entitled to the universal 15-hour entitlement.

A specialist holiday club is available for children aged 6 weeks – 8 years.

During this time, our setting will work to the same daily schedule, with the addition of more 5- 8 years tailor made activities, and a heavier focus on community excursions. We take some unique trips such as horse riding, theatre trips and some parents/carer trips further afield. A QTS teacher plans the learning foci for our older children to ensure a purposeful and fun experience.

These places are limited and priority goes to existing registered families. We are always booked to full capacity very quickly. Sign up is available through our registration documents.

Woodlands Day Nursery takes in to account the guidance & advice given by the Health Protection Agency (HPA) and other authorised bodies. We use these sources in an advisory capacity and reserve the right to follow our own policy documentation with regard to exclusion.
